**Episode Descriptions:**  
**1701 On The Move**

We are on the move, with projects that go along with us, or move themselves! Join host Katie Hacker and make a rockin' roadster that really rolls. Artist Franz Spohn uses a little string to add animation to his art and blogger Jenny Barnett Rohrs make a wreath with colorful felt pinwheels. Use the Family Craft Box and recycled denim to make a car track. Decorate your room with an eye-catching string art project that uses color to create the feeling of movement.

**1702 Critters and Creatures**

Inspiration comes from animals and creatures – real and imaginary. Katie makes a 3-D owl with textured wings makes a great decoration for any room. Franz and Katie make creature creation a team sport by drawing three-part fantasy animals together. Jenny looks to the sea to find inspiration for a jelly-fish made from re-cycled materials then Katie creates a glittery clay lizard textured with found items. From the Family Craft box make a pair of bear claw slippers made from tissue boxes.

### **1703 Let's Play a Game**

Whether indoors or out, games are fun! Bowl at home with family and friends with a colorful bowling set Katie makes from recycled water bottles. Franz shows how to create your own game board using a variety of art mediums. Jenny and Katie make an indoor hopscotch court that rolls-up, for easy storage. Braid a ring toss toy then use the Family Craft box to make a treasure hunt jar for quiet fun.

### **1704 Playtime**

Every day is play time! Challenge your skills with an ice cream cone ball toss game. Design your own indoor miniature golf course with Franz, then put on a show with puppets Jenny shows how to make and decorate. Add some cardboard to the Family Craft Box to create a super mask and make your own superhero figure.

### **1705 Let's Party**

There's a party going on and you are invited! Franz takes art outdoors as he designs, lays out and plants a character image for the garden. Bloggers share great ideas for creating a cactus that won't be prickly or making a quick and easy super turtle figure. Katie shows how to create colorful greeting cards and artwork for family and friends then uses supplies in the Family Craft Box to erect buildings or make whimsical bug cars.

### **1711 Discover the World**
